

## 84 Lumber participates in CHB Infrastructure, Technology and Event Show

CHB INFRASTRUCTURE, TECHNOLOGY AND MARKETING GROUP, LLC

**CHB**

*Technology, Services & Finance for Global Infrastructure & Sustainable Development*

84 Lumber will be participating in the CHB Infrastructure, Equipment and Technology Event Show being held the week of February 18, 2013. Mark Reginelli, World Trade Director, will be representing 84 Lumber and will be demonstrating how 84 Lumber can be a great resource for disaster relief housing. A 20x20 model home, like the one pictured, will be built on site to be a year-round display at the new technology center in Dulles, VA.

Many agencies and groups will also be attending this show, such as FEMA, US Military, International Militaries, Relief Organizations, State, Municipal and local Governments, Emergency Responders, Law Enforcement Agencies, Research Institutions and much more.
