

## 84 Lumber Teams with Sammy Sosa— Cubs Star

In September of 2014, 84 Lumber World Trade Director Mark Reginelli and Regional Sales Manager Steve Douglas visited a seven unit town-home under construction in Panama City. The windows and doors for the units were supplied by 84 Lumber Company. Plans are in progress to build 1,600 more of these units. While in Panama they met with several large housing developers and building material suppliers in Panama City.

84 Lumber has supplied home packages and building materials to projects located around the world- Caribbean, China, Honduras, Indonesia, Korea, Mexico, Mongolia, and Trinidad to name a few. 84 Lumber also supplies emergency and disaster relief products and supplies. Contact us
